How Do I Dispose of Hazardous Waste?

- ◆ Keep hazardous waste in original container **DO NOT MIX. If leaking wrap in plastic bag and place in a separate box.**
- ◆ Place materials in a secure box.
- ◆ Place secured box in trunk or truck bed.

- ◆ Remain in your vehicle.
- ◆ Trained staff will inspect and remove hazardous waste from your vehicle.

For your safety and the safety of others, **smoking is prohibited** in or near the Satellite collection-this includes in your vehicle.

What products should I bring to the Collection?

Prescription Medicines - Free Disposal Days in the Spring & Fall

Syringes

Radioactive Wastes

Alternatives to Household Hazardous Waste Chemicals

General purpose cleaner	3 cup borax, 3 cup white vinegar, 2 gallons hot water. Stir to dissolve. Use mop or sponge to clean. Alternative products: Murphy's Oil Soap or Citra-Solv.
Scouring powder	1 cup baking soda mixed with 3 cup borax. Dampen sponge and scoop up mixture. Rub on surface. Let "rest" then rinse well. Alternative product - Bon Ami.
Paint thinner	Let paint particles settle, then pour off clear liquid and reuse.
Bug sprays/ insecticides	For gardens, use companion planting and Integrated Pest Management. Plant disease resistant seeds. Pour a line of cream of tartar, red chili pepper, paprika or dried peppermint where ants are entering the house.
Insect repellent	Do not wear scented products outdoors. Burn citronella candles, punk wood, or incense. Alternative product - Bite Blocker.
